

Launch Clinical RPM

Your care, extended

care@vitalhealthlinks.com | 1-888-515-8450

01

Consent, order, education and setup

Doctor and CCM patients agree to the health benefits of increased connection and accessibility that RPM provides.

02

Cellular transmission, collection of physiological data

Essential patient physiologic data is collected and analyzed by care coordinators.

03

Evaluation, management and engagement

Vital Health Links RPM Care Coordinators facilitate personal care-plan engagement based on physician and national guidelines.

04

Billing and reimbursement

RPM has proven so beneficial that Medicare programs compensate clinics ≈ \$155 per qualified chronic illness patient per month to achieve benchmarks through RPM.

CPT Code*	99453*	99454*	99457*	99458*
Description	Initial setup fee	Data transmission fee	Initial treatment management fee+	Additional treatment management fee+
Non facility rate	\$19.19	\$63.15	\$50.94	\$41.17

■ First Month

■ Monthly

Total monthly reimbursement ≈ \$155 per patient

+Vital Health Links Care Coordinators add financial, operational, and personal value to data monitoring for doctors, patients, and practices to optimize RPM benefits.
